An MTSS Twitter Chat for Educators!

A guide for participating in the Twitter Chat

WHAT YOU NEED TO KNOW

The Twitter chat will follow a Q1 - A1, Q2 - A2 format. The chat facilitators will tweet questions with Q1, Q2, etc. at the beginning and participants will tweet A1, A2 etc. at the beginning of their corresponding responses .

This Twitter chat series is designed for MTSS Leaders from across the state to gather online to chat about MTSS topics. Although the Twitter chat is scheduled for specific dates and times, they can be reviewed after the chat and serve as a great resource!

The Twitter chat will be organized and moderated by one or more MTSS Consultants and will last one hour.
